HOW TO KEEP YOUR MENTAL HEALTH IN CHECK WHEN YOU WORK FROM HOME

SOURCE: [WEWORKREMOVEDLY.COM](https://www.weworkremotely.com)

Take steps to improve your mental health when you work from home and you'll shrug off the anxiety, depression, and loneliness many remote workers face.

Have you noticed a change in your mental health now that you work from home? Do you feel more stressed out despite not having a commute? Are you battling feelings of isolation even though you can clock in wherever you want?

Work from home jobs can challenge your mental health. It can turn normally optimistic, productive worker bees into tired, unmotivated, irritable toads.
